A MESSAGE FROM THE CHIEF ADVISOR

Dear EISD Community,

As-salaamu Alaikum,
In light of our vision, I would like to take a moment to remind you that EISD is committed to nurturing today's youth and inspire tomorrow's leaders.

In this edition, you'll find a rich collection of student-led initiatives that have taken

shape throughout the term. These are true reflections of the values we uphold and the leadership qualities we strive to cultivate in our learners.

We are also honoured to welcome Mr. Tanvir Ahmed, Managing Director of Sheltech Pvt. Ltd., as a trusted partner. His support will help us take this vision to even greater heights, In Shaa Allah.

This newsletter also captures moments from the beautiful and blessed month of Ramadan—a time of reflection, prayer, generosity, and unity. May Allah (SWT) accept our fasts, prayers, and good deeds.

Warm regards,
M M Ronok
Chief Advisor

EISD Trustee Visit: A New Chapter Begins

EISD welcomed their esteemed trustee Mr. Tanvir Ahmed, Managing Director of Sheltech Pvt Ltd. His visit was a momentous occasion as he mapped out prospects for advancing EISD's vision , driving the school closer to becoming an exemplary English Medium Islamic School in Bangladesh.

A Leader Who Inspires Young Minds

Our esteemed Chief Advisor believes that true leadership is not just about guiding but also about connecting and inspiring. Spending quality time with our little learners at EISD, he nurtures curiosity, kindness, and confidence in their young hearts. His presence among them reflects our school's commitment to a warm and engaging learning environment.

A MESSAGE FROM THE CO-ORDINATOR

Rukhsana Ahmed
Senior English Teacher
EISD

As-Salamu Alaikum,
After serving Sunnydale for 15 years as an English teacher, I feel it is high time to focus on nurturing the capability of each individual rather than imposing the traditional methods of teaching. Here in EISD, instead of keeping the learning limited in some text books, we encourage the learners to become self-motivated and independent. Another appreciable fact is that, the most commendable goal of EISD is its emphasis on character development through education.

A MESSAGE FROM THE HOMEROOM TEACHER

Nazia Mahmood
Homeroom Teacher
of Playgroup
EISD

As-Salamu Alaikum,
I joined EISD after serving Sunnydale for 8 years. Playgroup education is not just about teaching letters and numbers, it's also about nurturing the love for learning and instilling values that shape a child's early development. At this foundational stage, children are taking their first steps into the world of learning, which is why I make it a priority to connect with them at their level.

I always speak to my students in a calm manner. I guide them with positive reinforcement such as through encouraging words, a handshake, or a high five.

Message from a Specialist Teacher

Nishat Reza

**Specialist Teacher of History,
Geography and
Bangladesh Studies**

As-Salamu Alaikum,
I would like to share my experiences
here, reflecting on the positive
environment at the school along
with comparing it to my previous
one, Al-Janoub International School
in Saudi Arabia where I served for 12 years.

Emerald International School Dhaka fosters a
supportive and learner-friendly atmosphere. At EISD,
we intend to instil deep understanding of the golden
age of Islam and draw lessons from the lost history of
our predecessors, alongside world history, using
modern methodologies in our students.

Festive moments

A Pitha Utshob was held on February 8, 2025, at the EISD Multi-purpose Hall, where beautifully decorated stalls were exhibited, and students enthusiastically sold a variety of delicious traditional pithas. The event was a celebration of culture, teamwork, and the joy of sharing homemade delights.

Hearts Illuminated by the Qur'an

A moment of immense joy and spiritual achievement! Additionally, a few students have significantly improved their recitation and are on their way to beginning their Hifz journey
